### CHAPTER ONE

#### DEFINITION OF THE CONCEPTS RELATING TO THE PROCEEDS OF CRIME AND THEIR LAUNDERING, AND THE HISTORY OF LAUNDERING

|                                                                                                 |    |
|-------------------------------------------------------------------------------------------------|----|
| I. CONCEPT AND DEFINITION .....                                                                 | 45 |
| A. In General .....                                                                             | 45 |
| 1. The Concept and Definition of Black Money .....                                              | 46 |
| a. Concept .....                                                                                | 46 |
| b. Definition in General .....                                                                  | 49 |
| c. Definition from a Legal Perspective .....                                                    | 50 |
| d. Predicate Offence .....                                                                      | 51 |
| e. The Distinction between Black Money, Grey Money and White Money .....                        | 51 |
| 2. The Concept and Definition of Assets Derived from an Offence .....                           | 52 |
| a. Concept .....                                                                                | 52 |
| b. Definition .....                                                                             | 53 |
| 3. Proceeds of Crime .....                                                                      | 54 |
| B. Laundering of the Proceeds of Crime .....                                                    | 55 |
| 1. The Concept of Laundering .....                                                              | 55 |
| 2. The Definition of Laundering .....                                                           | 58 |
| a. Definitions in International Instruments .....                                               | 58 |
| b. Definitions in National Legislation .....                                                    | 61 |
| c. Definitions in Legal Scholarship .....                                                       | 62 |
| d. Assessment and Our View .....                                                                | 65 |
| II. REASONS, STAGES AND METHODS OF THE LAUNDERING OF THE PROCEEDS OF CRIME .....                | 66 |
| A. Reasons for and Purposes of Laundering .....                                                 | 66 |
| 1. Freeing the Proceeds of Crime from Cash Form .....                                           | 68 |
| 2. Severing the Link between the Predicate Offence and the Owner of the Proceeds of Crime ..... | 72 |
| 3. Shielding the Proceeds of Crime from Seizure and Confiscation .....                          | 73 |
| 4. Using the Proceeds of Crime by Introducing Them into the Legal Economic System .....         | 73 |
| 5. Assessment and Our View .....                                                                | 74 |

|                                                                                                                  |           |
|------------------------------------------------------------------------------------------------------------------|-----------|
| <b>B. Stages of Laundering</b>                                                                                   | <b>75</b> |
| 1. In General                                                                                                    | 75        |
| 2. The Placement Stage                                                                                           | 78        |
| 3. The Layering Stage                                                                                            | 81        |
| 4. The Integration Stage                                                                                         | 84        |
| <b>C. Methods of Laundering</b>                                                                                  | <b>85</b> |
| 1. In General                                                                                                    | 85        |
| 2. Laundering Methods Not Involving Financial Institutions                                                       | 90        |
| a. Smuggling the Proceeds of Crime Abroad                                                                        | 91        |
| b. Use of Illegal Money Transfer Systems                                                                         | 94        |
| aa. In General                                                                                                   | 94        |
| bb. Advantages Offered by the System                                                                             | 100       |
| c. Use of Commercial Companies and Cash-Intensive Businesses                                                     | 103       |
| d. Use of Bureaux de Change                                                                                      | 109       |
| e. Use of Games of Chance                                                                                        | 112       |
| aa. Casinos                                                                                                      | 112       |
| bb. Lottery Draws                                                                                                | 114       |
| cc. Horse Races                                                                                                  | 115       |
| f. Other Methods                                                                                                 | 117       |
| 3. Laundering Methods Involving Financial Institutions                                                           | 117       |
| a. The Structuring Method                                                                                        | 118       |
| b. Tax Havens and Offshore Banking Practices                                                                     | 120       |
| aa. Tax Havens                                                                                                   | 122       |
| bb. Offshore Banking                                                                                             | 125       |
| cc. Effects on the Laundering of the Proceeds of Crime and Measures Taken                                        | 130       |
| c. Use of the Digital Banking System                                                                             | 135       |
| aa. How the Digital Banking System Operates                                                                      | 135       |
| bb. Advantages Offered to Launderers by Digital Banking                                                          | 138       |
| aaa. Ease of Transferring Funds                                                                                  | 138       |
